PEAKE

Studio Peake – Interior Design Job Description

We are looking for an experienced Interior Designer to join our busy London team, assisting our Senior Designers on large scale residential projects in the UK and abroad. The ideal candidate will have a minimum of 1-2 years' experience within a design studio working on all elements of residential interior design projects. Studio Peake is a London-based interior design studio that specialises in creating innovative and highly tailored interiors on private residential and boutique commercial projects. Led by founder and creative director Sarah Peake, the studio's overriding aesthetic is the interweaving of tradition and imagination. Bringing spaces to life involves a playful blending of opposites and an interplay between old and new – a dash of unexpected colour or detailing; that element of surprise.

The candidate be a good at working as part of a team and be confident placing orders and liaising with suppliers for large-scale projects. A passion for interior design and knowledge of suppliers and understanding of the industry is also very valuable. As a small team of six we are looking for someone ready to get involved with all aspects of our growing studio as well as the day to day running of design projects. We are a growing team working on some very exciting projects in the UK and overseas, so this is a great opportunity for the right person.

The ideal candidate will:

• Be able to work collaboratively within a team, but demonstrate independent thinking in ideas and decision-making, pro-actively presenting ideas for final approval.
• Have a good design eye and natural creative instinct for colour and style.
• Understand the interior design industry and have a good knowledge of suppliers.
• Have excellent attention to detail in all elements of their work.
• Proficient in drawing plans and elevations in autoCAD
• Experience using Estimac for procuring furniture and writing detailed FF&E specifications is essential.
• Hand sketching skills are a bonus but not essential.
• Strong written and verbal communication as it will be required to liaise with suppliers, subcontractors, clients and architects.
• Work well under pressure
• Able to travel to clients within the UK and globally, as required.

Additional Information:

• Start date ASAP
• 3-month probation period required to make sure that you are a good fit for us and vice versa.
• Salary dependent on experience within the industry.
• Regular working hours are 9am to 5:30pm. Flexibility in working hours is needed to ensure timescales are met – extended hours may be required from time to time to ensure project deadlines are met.
• Holiday – 20 days per year + time off over Christmas and bank holidays.

Please do send your CV, examples of work and a cover letter to Sophy at info@studiopeake and we will endeavor to get back to you as soon as we can. We very much look forward to receiving your application.
