Company Details

Firmdale Hotels is an international award-winning group comprising of 11 high end luxury hotels and 9 bars and restaurants in London and New York. We inspire our teams to love what they do and live and breathe our values. We believe that our people have the opportunity to grow and progress, whatever their role.

The Role

We are seeking a talented and highly creative **Graphic Designer** to join our team on a fixed term month contract, working in-house at Kit Kemp Design Studio. This role will focus on developing and executing visual assets for **Shop Kit Kemp**, including website design, product packaging, and brand-led creative projects.

You will collaborate closely with our design and marketing teams to bring the distinctive Shop Kit Kemp aesthetic to life across digital and physical platforms.

Key Responsibilities

- Design and develop creative assets for the **Shop Kit Kemp** website, ensuring a cohesive and engaging user experience
- Create and refine **product packaging designs**, maintaining brand consistency and high visual standards
- Collaborate with internal teams including marketing, product development, and creative direction
- Contribute to concept development and visual storytelling across campaigns
- Prepare design files for production (digital and print)
- Ensure all work aligns with brand guidelines and reflects the unique Kit Kemp design identity
- Manage multiple projects simultaneously and meet deadlines in a fast-paced environment

Skills & Experience

- Proven experience as a Graphic Designer (freelance or in-house)
- Strong portfolio demonstrating web design and packaging work
- Proficiency in Adobe Creative Suite (Photoshop, Illustrator, InDesign)
- Understanding of digital design principles, UX/UI basics, and responsive layouts
- Experience with print production and packaging processes
- Strong attention to detail and typography skills
- Ability to work both independently and collaboratively within a team
- Excellent communication and organisational skills

Desirable

- Experience working with lifestyle, interiors, or luxury brands
- Familiarity with e-commerce platforms
- Basic knowledge of motion graphics or animation (a plus)
- Experience with AI imagery

Working Style

- In-house role within a collaborative creative studio environment
- Hands-on, team-oriented approach
- Ability to adapt to evolving project needs and priorities

Values

- **Attention to detail:** is meticulous, organised and executes work to a high standard
- **Resilience:** adopts a solutions-oriented approach to problems/difficult situations
- **Passion:** determined to make an impact and promote a culture of continuous learning and development
- **Enthusiasm:** shows a keen interest in developing team members and is committed to supporting them in achieving their potential
- **Relationships:** builds and maintains effective relationships with all team members and stakeholders
