Golden is a small and growing Architectural Interior Design studio, based in Hackney. The team work on a range of high-end residential projects throughout the UK. We are a supportive, enthusiastic team who aim to produce the highest quality of work possible while having lots of fun.

Mid-weight Interior Designer

Contract: Permanent, Full Time.

Experience: 4 years +

Salary: Circa £40k, dependent on experience.

Start Date: October 2026

The Role: This is an opportunity to contribute to our growing roster of residential Interior Design projects. We will require you to be involved in all stages of our projects and to work alongside the Studio Directors, Ellen and Alice. We're looking for someone passionate about design, with an outstanding eye, who aligns with our studio's aesthetic and culture.

Summary of role

- Significant responsibility for creating tender ready 2D drawing packages. Must be advanced in Vectorworks or AutoCAD. (The studio uses Vectorworks.) Demonstrable skills will be required as part of the interview process.
- Communicate design intent clearly through drawings, presentations, and specifications.
- Develop and deliver design schemes - furniture layouts, elevations, finishes, bathroom, kitchen and joinery drawings, furniture, fabrics, soft furnishings, sourcing art, antiques and decorative items.
- Produce schedules.
- Visit suppliers, specify, schedule and work with craftspeople on bespoke items.
- Liaise with clients, architects, contractors and suppliers. Attend meetings, record meeting notes, take site measurements and photos.

- Place orders, oversee timely deliveries and installation, in collaboration with the wider team.
- Refresh the materials library, undertake industry research and gather inspiration, through a natural passion for interiors.

Essential Skills and Experience

- A sharp spatial sensibility and technical rigour, strong organisational skills and attention to detail.
- Strong project management skills: manage timelines, budgets, coordinate with contractors and suppliers, ensuring smooth delivery of projects.
- A natural flair and confidence for handling multiple projects and stakeholders in a fast-growing business.
- A team-player with strong interpersonal skills, a collaborative approach and high emotional intelligence.
- A strong technical drawing foundation is essential.
- Underpinning all of the above will be highly professional and effective communication skills with an unwavering desire to achieve best possible outcomes for our clients.
- Confidence leading client presentations and conversations.
- We are looking for a confident designer who can hit the ground running.

Benefits

- Bonuses, linked to performance
- Semi-flexible working hours (to be agreed)
