

# **MID-WEIGHT INTERIOR DESIGNER (MATERNITY COVER, 1 YEAR)**

Reports to: Head of Interior Design

Location: London, with travel to sites and suppliers as required

Position: Full-time, 12-month fixed term, in office 5 days a week

## **Role Overview**

We are seeking a talented and highly organised Mid-Weight Interior Designer to join our London studio for a one-year maternity cover contract. Working across a range of high-end residential and boutique hospitality projects in the UK and internationally, the successful candidate will bring creative flair, technical proficiency, and a collaborative spirit to the design team.

You will work closely with senior designers and the Head of Interior Design to deliver projects from concept through to installation – contributing to design development, producing detailed drawings and schedules, and coordinating with suppliers, contractors, and craftsmen. This role requires both creative sensitivity and practical discipline, with an understanding of the balance between beauty, function, and precision that defines the Nina Campbell aesthetic.

## **Key Responsibilities**

### **Design Development**

- Contribute to the creative development of design concepts and presentations.
- Prepare mood boards, colour schemes, and FF&E proposals in line with project briefs.
- Assist with sourcing fabrics, finishes, and materials, maintaining awareness of current trends and suppliers.
- Support the senior team in maintaining design integrity and attention to detail across all stages.

### **Technical & Project Delivery**

- Produce and revise drawings, layouts, and detailed joinery designs using AutoCAD.
- Create and manage FF&E schedules and specifications
- Liaise with suppliers and workshops to ensure accuracy of production and timely delivery.
- Attend site meetings, coordinate with contractors, and assist in resolving design queries.
- Support with on-site installations and styling as required.

## Team & Client Coordination

- Work closely with the senior team to ensure projects are delivered on time and within budget.
- Prepare client presentations and assist in documentation for approvals.
- Communicate professionally with clients, suppliers, and consultants, representing the studio's standards and ethos.

## Studio Contribution

- Maintain sample libraries and supplier contacts.
- Support junior team members and interns with day-to-day project tasks.
- Uphold the collaborative spirit of the Nina Campbell studio.

## Skills & Experience

- Minimum 4-6 years' experience in a high-end interior design studio.
- Strong creative and technical skills with proficiency in AutoCAD, Adobe Creative Suite, and Estimac (or equivalent).
- Excellent knowledge of FF&E, bespoke joinery, and material sourcing.
- Confidence managing multiple project elements simultaneously.
- Strong organisational skills with meticulous attention to detail.
- A collaborative and adaptable approach with excellent communication skills.
- A refined appreciation of the Nina Campbell aesthetic and commitment to quality.

Competitive salary, commensurate with experience.
