

ISABELLA WORSLEY

COMMERCIAL AND RESIDENTIAL DESIGN

Mid-weight/Senior Designer:

Isabella Worsley Ltd. are looking for a strong mid-weight to senior designer to join their growing team. This is a full-time role, based from our North Kensington studio. It is an exciting role for a highly motivated person, who is looking to work on a range of highly creative commercial and residential projects. The ideal candidate will strong experience and be confident in managing projects from concept to completion.

The ideal candidate will be confident in the following areas:

- *Strong proficiency in EstiMac and AutoCad, as well as Excel and Microsoft Office*
- *Experienced in managing large projects (preferably both commercial and residential), both on and off site with contractors and sub-contractors, to include experience in reviewing lighting/electrical plans and technical drawings*
- *Confidence in specifying and designing bespoke elements (joinery design, upholstery, furniture)*
- *Competency in managing budgets, schedules and the procurement process, with extensive supplier knowledge*
- *Good interpersonal skills, liaising directly with clients and build/studio teams*

Further details:

Role: Full time

Location: North Kensington Studio

Salary: competitive, based on experience

Please send your CV to studio@isbellaworsley.com – we look forward to hearing from you!
