

STUDIO GROVE

1 PUTNEY HIGH STREET, LONDON, SW15 1SZ | +44(0)20 4547 6735 | STUDIO@STUDIOGROVE.CO.UK

Mid-Weight Technical Designer Job Description

Studio Grove is looking for a full-time Mid-Weight Technical Designer to join our studio in Putney. This person will support the residential design team, producing precise and detailed visual representations for high-end projects. The ideal candidate will have very strong technical skills, and must be proficient in Vectorworks, SketchUp, Revit and Adobe package.

Key Responsibilities

- Contribute to all aspects of the design process from initial brief through to project completion, including creative and concept design, layout design, joinery and detail design, interior decoration, and production of tender and construction packages.
- Manage production of tender and construction drawing packs.
- Co-ordinate and liaise as necessary with architects, surveyors, M&E consultants, joiners, and other contractors to ensure that designs are synchronised and aligned throughout the project programme.
- Use CAD software (Vectorworks) to draw up accurate floor plans, lighting plans, small power plans, elevations, and detailed design intent joinery drawings, delivering tender and construction packages.
- Use SketchUp to produce precise and detailed 3D models.
- Produce detailed drawings of bespoke furniture to support FF&E design development.
- Create detailed schedules and specification sheets ensuring designs are communicated accurately.
- Attend meetings on site throughout project to ensure seamless implementation of design briefs.

Requirements

- 5+ years' experience in a high-end interior design studio.
- Technically confident and proficient in Vectorworks, SketchUp, Revit and Adobe package.
- Highly organised with good time management skills.
- Creative and detail orientated.
- Strong communications skills with clients, professional team, and contractors.

Hours: Full-Time

Location: Putney (remote working on Fridays).

Salary: Dependent on Experience.

Line Manager: Senior Designer (Residential)

To apply, please send your Portfolio, CV and cover letter to charlotte@studiogrove.co.uk, with '**Mid-Weight Technical Designer**' in the subject of the email.
