## JUNIOR/MID-WEIGHT INTERIOR DESIGNER ~ 3D VISUALISATION, FF&E & PROCUREMENT

### OVERVIEW:

We're looking for a Junior/Mid-weight Designer with previous studio experience to join our growing team. This is a great opportunity for creative designers who are eager to grow, and work on a variety of design projects. The ideal candidate will have a passion for interior design, and a proactive approach to their work. They will contribute to diverse projects, collaborate across creative disciplines, and support the development of innovative interior concepts that align with our company's vision.

### JUNIOR/MID-WEIGHT INTERIOR DESIGNER ~ 3D VISUALISATION, FF&E & PROCUREMENT

#### *Key Responsibilities:*

- Model interiors and design ideas in **SketchUp**, producing high-quality 3D models and renderings
- Support senior designers with tender packs, client presentations, and project delivery
- Assist in developing interior design concepts from briefing through execution
- Conduct research on materials, finishes, furnishings, and innovative design approaches
- Prepare, maintain, and contribute to project documentation, including schedules, specifications, and reports
- Participate in client meetings, site visits, and project reviews
- Assist in sourcing, procuring, and specifying FF&E
- Support the creation of detailed layouts, material palettes, and joinery detailing
- Collaborate with the team to ensure procurement and specifications align with the overall design vision
- Get involved in social media, marketing, and branding initiatives as part of the studio's creative output
- Maintain organised project files, product libraries, and vendor libraries
- Take initiative by identifying potential issues and proposing solutions
- Be open to learning, experimenting, and taking calculated creative risks

## ABOUT YOU

### *Qualifications*

- A qualification in Interior Design, Architecture, or a related field (e.g., diploma, degree, or equivalent).

### *Experience:*

- Minimum 2 years experience working in a design studio.

### *Personal Attributes:*

- Passionate about interior design with a keen eye for detail.
- Proactive and self-motivated with a willingness to learn from mistakes.
- Strong communication and interpersonal skills.
- Good organisational and time-management skills.
- Ability to work collaboratively across different creative disciplines.
- Must be proficient in **Sketchup. Vectorkworks/AutoCad** is advantageous but not essential.
- A flexible and open-minded approach to new ideas and learning opportunities.

### *Our Ideal Candidate*

- Values learning through doing, even if it means sometimes doing things “wrong” rather than not doing anything.
- Embraces a proactive approach to their responsibilities.
- Relishes the opportunity to contribute creatively beyond interior design, supporting our broader business initiatives.

Join us in an inspiring environment to grow your skills, receive mentorship from experienced designers, and collaborate across creative disciplines within a supportive, innovative team.
