

# DESIGNERS GUILD

## **Mid-Weight Textile CAD Designer (part-time)**

Location: Head Office, London W10

We have an exceptional opportunity for a mid-weight Textile CAD Designer to join our creative team on a part-time basis (4 days per week).

Working within our West London studio, you'll play a key role in supporting the design team to bring our collections to life.

This is a hands-on and creative role for an early-career designer with a passion for textiles and interiors. Minimum 1-2 years industry experience will be an advantage.

### **The Role**

As a CAD Designer, you will assist in the creation and development of fabric, wallpaper, and home accessory designs, ensuring that all digital artwork is accurate, beautifully presented, and ready for production.

### **Key Responsibilities**

Create and edit CAD artwork for homewares, fabric, and wallpaper designs using Adobe Creative Suite. Prepare technical files for print and production, ensuring colour accuracy and repeat integrity. Digitally colour, visualise, and present designs for internal reviews and sales tools. Maintain digital artwork libraries and design files. Support preparation of design boards, mood boards, and concept presentations. Liaise with suppliers and internal teams to ensure artwork is production ready.

### **About You**

Degree in Textile Design or a related design discipline.  
Strong proficiency in Adobe Photoshop; experience with textile CAD software is advantageous.  
Excellent eye for colour, pattern, and layout, with exceptional attention to detail.  
Understanding of fabric construction and repeat pattern design.  
Highly organised, proactive, and able to manage multiple tasks in a fast-paced studio environment.  
A genuine passion for textiles and interior design.  
If you're a creative, detail-oriented designer looking to develop your career in textile design and contribute to bold, beautiful collections — we'd love to hear from you.

Please note that this role is London studio based with no remote working. Applications will only be considered with a CV and PDF portfolio.

Due to the large volume of applications expected, only successful candidates will be contacted for the next stage in the recruitment process.

Please apply in writing including a CV and accompanying letter stating both current and expected salaries to [careers@designersguild.com](mailto:careers@designersguild.com)
