## Maternity Cover – Interior Designer Maternity Cover (FTC)

Studio Peake is a leading London-based interior design studio working on exciting projects all over the world. We specialise in creating innovative and highly tailored interiors on private residential and boutique commercial projects. We also have a small collection of products made in collaboration with exceptional artisans and makers.

We are looking for an experienced Interior Designer for Maternity Cover to join our busy London team for a year (with potential to extend for the right candidate). Assisting our Senior Designers on large scale residential projects in the UK and abroad. The ideal candidate will have a minimum of 2 years' experience within a design studio working on all elements of residential interior design projects. The candidate should work well as part of a team and be confident placing orders and liaising with suppliers for large-scale projects. A passion for interior design and knowledge of suppliers and understanding of the industry is also very valuable. As a small team of six we are looking for someone ready to get involved with all aspects of our growing studio as well as the day to day running of design projects. We are a growing team working on some very exciting projects in the UK and overseas, so this is a great opportunity for the right person.

### The ideal candidate will:

- Be able to work collaboratively within a team, but demonstrate independent thinking in ideas and decision-making, pro-actively presenting ideas for final approval.
- Have a good design eye and natural creative instinct for colour and style.
- Understand the interior design industry and have a good knowledge of suppliers.
- Have excellent attention to detail in all elements of their work.
- Proficient in drawing and understanding plans and elevations in AutoCAD.
- Experience reading and understanding architectural and joinery drawing packages.
- Experience using EstiMac for procuring and managing multiple orders, processing invoices. Writing detailed FF&E specifications is essential.
- Knowledge and understanding of schedules e.g. sanitaryware, finishes, and decorative lighting.
- Hand sketching skills are a bonus but not essential.
- Strong written and verbal communication will be required to liaise with suppliers, subcontractors, clients and architects.
- Work well under pressure.
- Able to travel to clients within the UK and globally, as required.

### Additional Information:

- One-year Fixed-Term Contract starting in June
- 3-month probation period required to make sure that you are a good fit for us and vice versa.
- Salary dependent on experience within the industry.
- Regular working hours are 9am to 5:30pm.
- Holiday – 20 days per year + time off over Christmas and bank holidays.

Please do send your CV, examples of work and a cover letter to Bella at [info@studiopeake.com](mailto:info@studiopeake.com) with "Maternity Cover" in the subject line and we will endeavor to get back to you as soon as we can. We very much look forward to receiving your application.
