

## MID-WEIGHT INTERIOR DESIGNER

### About Us

Alidad Ltd is a widely acclaimed high-end interior design studio with almost 40 years in the industry, spearheaded by Alidad himself. The team have worked on numerous projects for private individuals all over the world including Kuwait, Vienna, London and Paris, and had collaborated with Watts 1874 to create The Legend Room for the 2024 WOW!house exhibition.

Through a combination of highly skilled artisanship and a deep knowledge and respect of history and tradition, Alidad and his team transform every room into a richly textured environment. The harmonious mix of antique, vintage and modern design elements ensures that every project is timeless and tailored to each specific client.

### Summary of position

Alidad Ltd is looking for a mid-weight Interior Designer to join our small but busy studio on a full-time basis. The studio is located at Chelsea Harbour, the heart of the interior design industry in the UK.

This person will be responsible for providing primary support to the Senior Designers and taking lead on projects when required.

The candidate should have a minimum of 5 years' experience in the industry and previous experience working on prestigious projects with a classic interior design aesthetic. This also includes having a very strong understanding of project administration, financials and logistics.

Proficiency in EstiPC and AutoCAD are essential and experience with Photoshop and SketchUp are also beneficial. The successful candidate would ideally start as early as possible to allow for handover.

---

### Job responsibilities

- Support the senior team in delivering large scale residential projects from conception to completion, ensuring they are completed within deadline/budget, and in accordance with the client brief
- Assist with creating and progressing FF&E schemes and schedules
- Assist with creating and progressing furniture layouts, elevations and visuals
- Assist with creating detailed project estimates
- Assist with designing and developing bespoke fabrics, embroideries, passementerie and furniture
- Assist with sourcing antiques and supervision of all necessary restoration works
- Place orders and monitor ordering process
- Maintain ongoing communication with suppliers, contractors and clients
- Coordinate shipment and deliveries to site both nationally and internationally as required
- Organise and manage a timely and efficient on-site installation
- Assist with organising post-installation snagging requirements
- Maintain a clear understanding of project financials and budgets

## **Skills**

- Exceptional attention to detail, both administratively and in decorative execution
- Highly organised with a logical, methodical approach to work
- Naturally creative with a proactive, hands-on work ethic
- Demonstrate strong initiative while thriving within a collaborative team environment
- Proven ability to prioritise effectively and work to tight deadlines
- Excellent interpersonal and communication skills, with the ability to build and maintain strong relationships with suppliers, contractors, and clients
- Extensive knowledge of the UK supplier market and a solid understanding of UK industry standards
- Strong awareness of confidentiality and the importance of discretion
- Flexible and willing to support all aspects of the business as required
- Polished personal presentation with a professional, approachable, and helpful manner
- Confident problem-solver, able to remain calm and pragmatic in high-pressure situations
- Full UK driving licence preferred
- Strong all-round IT skills, with particular proficiency in Esti-PC, AutoCAD, Adobe Photoshop, SketchUp, and Microsoft Office

---
