About Nina Campbell

Nina Campbell is one of the world's most renowned and influential interior designers, celebrated for her timeless elegance and innovative approach to design. Alongside her acclaimed interior design projects, Nina Campbell has built a globally recognised brand, including internationally distributed fabric and wallpaper collections through Osborne & Little, as well as an exclusive range of furniture, tableware, and decorative accessories.
The company partners with brands such as Next and Fired Earth, which have expanded the reach of Nina Campbell's creations, making them accessible to a wider audience.

We are seeking a talented and experienced **Senior Textile & Homeware Designer** to join our dynamic and collaborative design studio.

Role Overview

As a Senior Designer, you will play a pivotal role in the creation of fabrics, wallpapers, decorative accessories, and homeware products under the Nina Campbell brand. You will have responsibility for the design process from concept to production and take ownership of the creative direction for specific collaborations, such as **Nina Home x Next**, ensuring alignment with the brand's aesthetic while introducing fresh, innovative ideas.

This is an exciting opportunity for an experienced surface pattern designer with a strong creative vision, exceptional technical skills, and a deep understanding of the interiors and homeware markets.

Key Responsibilities

- Working with the Head of Design, to design and develop **fabrics, wallpapers, and homeware products**, ensuring alignment with the Nina Campbell brand.
- Assist in providing creative direction for collaborations, including the **Nina Home x Next** collection.
- Create original designs and patterns with exceptional drawing, colouring, and composition skills, adaptable to various mediums and styles.
- Utilise **Adobe Creative Suite** (Photoshop) and **AVA** software to develop and finalise designs.
- Ensure all designs meet production standards, including correct repeats, scaling, and composition for textiles, wallpapers, and accessories.
- Conduct trend research and apply market insights to create designs that resonate with both existing clientele and new audiences.
- Collaborate with suppliers, manufacturers, and other stakeholders to oversee the transition from concept to final product.
- Manage multiple projects simultaneously, ensuring deadlines are met without compromising creativity or quality.

- Communicate effectively with team members and external partners, contributing to a positive and collaborative studio environment.
- Travel as required for supplier visits, industry events, and market research.

Key Skills & Experience

- **Creative Expertise:** A strong portfolio showcasing innovative and commercially viable designs for textiles, wallpapers, and homeware, including hand-drawn and painted work.
  Artistic Versatility: Exceptional drawing, painting, and colouring skills with the ability to create original artwork in a variety of traditional and digital mediums.
- **Technical Skills:** Proficiency in Adobe Creative Suite (Photoshop essential), AVA, and knowledge of repeat design and pattern development.
- **Market Knowledge:** Strong awareness of interior design, homeware, and fashion trends.
- **Project Management:** Ability to independently manage the end-to-end design process while juggling multiple priorities in a fast-paced environment.
- **Collaboration:** Excellent communication skills and a team-oriented approach to design.
- **Attention to Detail:** Strong organisational skills and an eye for detail in both creative and technical aspects of design.
- **Experience:** A minimum of 6 years in a similar role within the interior design, textiles, or homeware industries.
