

Absolutely stunning Simplex walnut stacking MCM media unit / stacking bookcase.

Absolutely stunning simplex walnut stacking MCM media unit / stacking bookcase with original sliding glass doors.

This colour-way is harder to come by than the oak , mahogany or teak, and it actually matches our other teak MCM perfectly. Sadly having to let it go as simply don't have the space!

The most wonderful storage for vinyl as safe behind the glass doors, and can be taken apart for easy transportation, making it ideal for London living.

I would go as far as to say it's in near perfect original condition, a piece in this condition with such clean lines and quality carpentry is so flexible and desirable. The only things I have noticed are 2 corner nibbles to the glass doors which you would only notice if you knew they were there.
