HOLIDAY: Flexible with a 10 day Christmas Closure and 1 week summer closure

SALARY: Competitive, based on experience

APPLICATION: please email CV to hello@elizabethhaydesign.com

ABOUT US

Elizabeth Hay Design is a globally recognised interior design studio with offices in Hungerford and Singapore. We specialise in imaginative, layered, and highly personal interiors for discerning international clients. Our projects span the UK, Europe, the Middle East, the US, and Asia, and we are known for our refined yet joyful aesthetic and collaborative relationships with artisans and suppliers around the world. This is a rare opportunity to join a growing and creatively ambitious practice. We are looking for a Junior Designer with a strong aesthetic eye, a proactive mindset, and the ability to work confidently across a variety of project stages.

WHO WE ARE LOOKING FOR

- At least 2 years' experience at a large, high-end residential interior design studio
- Someone who understands the pace, polish, and detail required for top-tier projects
- A team player who is confident, resourceful, and eager to learn
- Highly organised and able to manage multiple project tasks at once
- Looking for a long-term role in a collaborative, fast-paced studio environment

CORE RESPONSIBILITIES

- Support senior designers across multiple projects from concept to installation
- Assist with sourcing FF&E, fabrics, lighting, finishes, and decorative accessories
- Produce mood boards, design presentations, and FF&E schedules
- Liaise with suppliers, order samples, and maintain studio sample library
- Assist in preparing CAD drawings and joinery details - CAD experience is a plus, not essential
- Contribute to site visits, installations, and styling as required
- Support general studio operations and administration when needed

KEY SKILLS AND REQUIREMENTS

- Minimum 2 years' experience at a high-end residential design firm
- Proficiency in Adobe Creative Suite (InDesign, Photoshop) and Microsoft Office
- Familiarity with AutoCAD and SketchUp is preferred
- Knowledge of EstiMac is a bonus
- Excellent eye for detail, colour, proportion, and composition
- Highly organised, reliable, and proactive
- Clear written and verbal communication skills

WHY JOIN US

- Creative input from day one on exciting global residential projects
- Supportive, non-corporate studio culture with scope for growth
- Exposure to design at every level - from concept development to final installation
- A chance to grow with an ambitious and internationally respected design studio
