- Work closely with our property team and contractors to guide projects from concept to completion.

#### Creative & Brand Support

- Offer potential support to our brand and marketing teams during seasonal photoshoots, including set design, interior styling and sourcing props that help bring each story to life.

#### Customer Experience & Design Advice

- Support the customer service team with interior design and styling advice for customers seeking guidance.
- Help create resources such as styling tips or room guides to build customer confidence and engagement.

  - Comfortable collaborating with creative, marketing and operational teams.
  - Able to manage several projects at once with clarity and care.
- 

## PERSONAL ATTRIBUTES

- Naturally attuned to the Rowen & Wren aesthetic with an appreciation for timeless design, natural materials and understated beauty.
