

Job Title: Midweight Interior Designer

Salary: £30,000 - £31,000

Reports to: Georgina Wood, Founder & Creative Director

About the Role:

We're seeking an experienced Mid-weight Interior Designer to join Studio Clementine's talented team. This is a hands-on role supporting high-end residential projects from concept through to completion, with a strong focus on technical delivery, FF&E specification, and procurement.

About You:

We're looking for a motivated, design-driven professional with 3-4 years' experience in luxury residential interior design. You'll be confident working across the full project lifecycle, with particular strength in technical documentation, AutoCAD drawings, and FF&E procurement.

You thrive in a boutique studio environment, balancing creative work with meticulous organisation and have a keen eye for detail that ensures nothing is overlooked. This is a great opportunity for a recently promoted mid-weight designer who is looking to grow within a small interior design studio.

Key Responsibilities:

Technical & Design:

- Producing accurate AutoCAD drawings, elevations, and detailed design documentation
- Creating visual presentations and client-facing materials using Photoshop and InDesign
- Developing technical packages and construction drawings to a high standard
- Collaborating with the team from initial concept development through to final delivery

FF&E & Procurement:

- Sourcing furniture, fixtures, and finishes from luxury suppliers
- Managing sample procurement and maintaining the studio's materials library
- Coordinating orders and deliveries with suppliers and clients
- Building and maintaining relationships with trade suppliers and artisans

Project & Studio Support:

- Maintaining project documentation, schedules, specifications, and meeting notes
- Assisting in the preparation and delivery of client presentations
- Supporting day-to-day studio operations and ensuring smooth project workflows
- Keeping the studio space organised and professionally presented

Essential Requirements:

- 3-4 years' experience working on high-end residential interior design projects
- Strong AutoCAD proficiency – you're confident producing technical drawings and construction packages
- Photoshop expertise – for creating polished presentations and mood boards
- Proven experience with FF&E specification and procurement in the luxury sector
- Excellent understanding of spatial planning, interior finishes, and material sourcing
- Degree or diploma in Interior Architecture or Interior Design
- Proficiency on Mac with Microsoft Suite, InDesign, and SketchUp
- Strong 2D and 3D CAD skills
- Excellent written and verbal communication skills
- Fluent in English (written and spoken)

Personal Attributes:

- Highly organised with exceptional attention to detail
- Proactive, confident, and design-driven
- Adaptable team player who thrives in a boutique studio environment
- Professional approach with a positive, can-do attitude
- Ambitious and eager to grow within a dynamic practice
- Shows initiative and takes ownership of tasks

How to Apply:

If this sounds like the perfect next step in your career, we'd love to hear from you.
