## **Junior Interior Designer**

We are looking for a dynamic, detail-oriented Junior Interior Designer to join the Hubert Zandberg Interiors team at our Notting Hill studio. This is an exciting opportunity for someone passionate about creating beautiful spaces and gaining hands-on experience across all stages of the design process.

### Key responsibilities and experience:

- Assist with the development and presentation of interior design schemes
- Source furniture, fabrics accessories & finishes
- Work under your own initiative with strong skills in all aspects of design
- Experience in using EstiMac, AutoCAD, SketchUp, Photoshop & InDesign
- Excellent communication skills
- Planning and orders, liaising with suppliers and chasing invoices
- Participation in progress meetings with clients (& senior management) when required
- Assist with site visits and snagging
- Maintain the studio sample library and archive completed projects
- Provide general studio and administrative support as required
