

ABOUT

We are seeking a talented and versatile Interior Architect / Designer to join our studio. This is an exceptional opportunity to contribute to a diverse range of high-end residential and commercial projects.

The ideal candidate will have excellent technical experience on projects from schematic development to final fit-out with a deep understanding of interior detailing.

We require someone with a resourceful, optimistic nature and who is open to all aspects of projects with a hands-on attitude. A proactive individual, highly organised, and detail-oriented with excellent design presentation skills and possesses strong design sensibility with an innate sense of composition.

KEY RESPONSIBILITIES

- Collaborate on a variety of high-end projects.
- Develop compelling design concepts and presentations.
- Create detailed design documentation and schedules, ensuring exceptional quality.
- Produce comprehensive drawing packages, including design intent, general arrangements, and construction.

REQUIREMENTS

- Minimum of 4 years' industry experience in high-end design, backed by a strong portfolio.
- Expertise in detailed design and documentation for high-end commercial & residential projects.
- Skilled in producing rendered images.
- Technical proficiency in Vectorworks is a must, Adobe Creative Suite, and SketchUp (or similar 3D modelling software).

APPLY

Please submit your CV along with a portfolio that authentically showcases your experience and skills. We greatly value thoughtfully curated work.
