

Junior Interior Designer

Practice: OWN LONDON STUDIO

About Us

OWN LONDON STUDIO is a London-based interior design practice creating distinctive, narrative-led spaces across high-end residential and boutique hospitality projects. Our work balances refined materiality, curated art and object placement, and thoughtful spatial design to produce interiors that feel layered, personal, and timeless. We value creativity, cultural awareness, craftsmanship, and a collaborative studio culture.

The Role

We are seeking a **Junior Interior Designer** to join our growing team. This is an exciting opportunity for a motivated emerging designer to contribute to projects from concept through to installation. You will work closely with senior designers, gaining exposure to high-end detailing, FF&E specification, supplier coordination, and client presentations.

This role is ideal for someone passionate about materials, art, storytelling through design, and developing strong technical foundations.

Key Responsibilities

Design Development

- Assist in developing design concepts, mood boards, and presentation materials.
- Support space planning, layouts, and interior detailing.
- Research materials, finishes, furnishings, lighting, and bespoke elements.
- Contribute creatively during design development meetings.

Technical & Documentation

- Produce drawings including plans, elevations, and joinery details.
- Support the preparation of technical packages and schedules.
- Assist in maintaining organised project documentation.

FF&E & Procurement

- Source and specify furniture, lighting, fabrics, and accessories.
- Prepare sample boards and material presentations.
- Liaise with suppliers to obtain quotes, lead times, and technical information.
- Assist with procurement tracking and installation preparation.

Studio Support

- Maintain the studio materials library.

- Attend site visits and installations where required.
- Support senior team members with client presentations and project coordination.

Skills & Experience

Essential:

- Degree in Interior Design or Interior Architecture.
- 1–2 years professional experience (internship experience welcome).
- Proficiency in AutoCAD and Adobe Creative Suite (InDesign & Photoshop).
- Strong visual presentation and layout skills.
- Excellent organisational ability and attention to detail.
- A genuine interest in art, craft, and material storytelling.

Desirable:

- SketchUp or Vectorworks experience.
- Understanding of high-end residential workflows.
- Confident communication skills and professionalism with clients and suppliers.

Personal Qualities

- Curious, culturally engaged, and design-driven.
- Detail-oriented with a strong eye for colour and composition.
- Proactive and eager to learn.
- Positive team player with strong work ethic.

What We Offer

- Exposure to high-end residential and hospitality projects.
- Close mentorship and development opportunities.
- **ClassPass benefit** for flexible wellness and fitness classes.
- **Auto-enrolment pension scheme** to support your long-term financial planning.
